

## Instruction to Authors

Journal of Health Science is published by Health Technical Office, Ministry of Public Health, Thailand. The Journal has been published regularly since 1992. The publication is managed by the Editorial Team appointed by the Ministry of Health. The team is comprised of outstanding technical experts within the Ministry as well as those from various leading medical and health institutions. In addition, several multidisciplinary experts are invited to support the Journal in the capacity of reviewers who carefully reviewed the quality of submitted manuscripts before being accepted for publication. Six issues of the Journal are produced each year: (1) January-February, (2) March-April, (3) May-June, (4) July-August, (5) September-October, and (6) November-December.

The Journal of Health Science welcomes all kinds of health-related articles. These included:

1. Original article
2. Review article
3. Special article
4. Case report
5. Miscellany
6. letters to the editor

etc.

Each manuscript must not be published elsewhere,

and the manuscript should not exceed 10 pages.

### Preparation of Manuscript

A manuscript should be prepared as follow:

1. The structure of original article should be in the following order:

- Title,
- Author name(s), with abbreviation of academic qualification (such as B.Sc., M.D., or Ph.D.),
- Author address(es),
- Key words, 1-5 key words in alphabetic order,
- Introduction,
- Material and Methods,
- Results,
- Discussion,
- Acknowledgement, and
- References.

2. The Health Science Journal uses a citation method that follows the Uniform Requirements for Manuscripts Submitted to Biomedical Publication (Vancouver Style). Abbreviations should be based on the U.S. National Library of Index Medicus (see examples below).

3. To submit a manuscript, three sets of the printed manuscript should be sent to the following address:

Health Technical Office, 6<sup>th</sup> floor, Building 2  
Ministry of Public Health  
Tiwanont Road, Muang District,  
Nonthaburi Province 11000  
Tel: 025911718-9 and 025918566  
Fax: 025911718-9

In addition to the hard copies, a CD containing the electronic file of the manuscript with separate files for figures should also be attached. The electronic copy can be submitted via email at: [hmoph@hotmail.com](mailto:hmoph@hotmail.com) or [editor2015@hotmail.com](mailto:editor2015@hotmail.com).

### Submission of a Manuscript

The submitted documents should include a cover page containing information on the corresponding author who will be responsible for communicating with the Journal regarding the process required for the improvement of the manuscript. Such information includes name, office phone number, mobile phone number and an e-mail address. It is encouraged to submit the manuscript by email in addition to the hard copies and the CD. The email address for submission is: [hmoph@hotmail.com](mailto:hmoph@hotmail.com). More information about the Journal and the submission process can be found at <http://thailand.digitaljournals.org/>

All submission will be acknowledged by the Editor. Those unaccepted will also be notified. The Editor reserves right to edit all manuscripts for proper publication according to the format of the Journal.

### A Sample Referent List

References should be written in Vancouver style. The list below demonstrated some examples based on the system. It should be noted that if there are more than one author, all author's names should be listed. However, if there are more than six authors,

only six names are required, and the rest of them are replaced by "et al".

1. Parkin MD, Clayton D, Black RJ, Masuyer E, Friedl HP, Ivanov E, et al. Childhood Leukaemia in Europe after Chernobyl: 5 years follow-up. *Br J Cancer* 1996; 73:1006-12.
2. Getzen TE. Health economics: fundamentals and flow of funds. New York: John Wiley & Sons; 1997.
3. Ringsven MK, Bond D. Gerontology and leadership skills for nurses. 2nd ed. Albany: Delmar Publishers; 1996.
4. Millares M, editor. Applied drug information: strategies for information management. Vancouver: Applied Therapeutics, Inc; 1998.
5. Bennett G, Horuk R. Iodination of chemokines for use in receptor binding analysis. In: Horuk R, editor. Chemokine receptors. New York: Academic Press; 1997. p. 134-48.
6. Smith P, Golladay K, Payment for durable medical equipment billed during skilled nursing facility stays. Final report. Dallas (TX): Dept. of Health and Human Services (US), Office of Evaluation and Inspections; 1994. Report No.: HHSIGOE 169200860.
7. Kimura J, Shibasaki H, editors. Recent advances in clinical neurophysiology. Proceedings of the 10<sup>th</sup> International Congress of EMG and Clinical Neurophysiology; 1995 Oct 15-19; Kyoto, Japan. Amsterdam: Elsevier; 1996.
8. Jones DL. The role of physical activity on the need for revision total knee arthroplasty in individuals with osteoarthritis of the knee [dissertation]. [Pittsburgh (PA)]: University of Pittsburgh; 2001. 436 p.
9. Guan M, Chen Y. Aberrant expression of DeltaNp73 in benign and malignant tumours of the prostate: correlation with Gleason score. *J Clin Pathol* [Internet]. 2005 [cited 2007 Jan 9];58(11):1175-9. Available from: <http://jcp.bmj.com/cgi/content/full/58/11/1175>
10. Collins SR, Kriss JL, Davis K, Doty MM, Holmgren AL. Squeezed: why rising exposure to health care costs threatens the health and financial well-being of American families [Internet]. New York: Commonwealth Fund; 2006 [cited 2006 Nov 2]. 34 p. Available from: [http://www.cmf.org/usr\\_doc/Collins\\_squeezedrisinghlthcarecosts\\_953.pdf](http://www.cmf.org/usr_doc/Collins_squeezedrisinghlthcarecosts_953.pdf)
