

Title Index Volume 25

January - December 2016

Title	Issue	Page number
A		
A Comparison Between Self-Massage with Pain-Relief Ball and Hand Massage in Registered Nurses	2	228
A Model for Prevention, Control and Solving Problems Relating to Narcotic Drugs in Hmong Tribe Community in Paklang Subdistrict, Pua District, Nan Province	6	1013
A Model for Prevention of Urinary Tract Infection in Patients with Indwelling Catheter, Kosum Phisai Hospital	1	104
A Study on the District Health System Management Capacity Building Project	5	854
A Survey of <i>Entamoeba gingivalis</i> and <i>Trichomonas tenax</i> in Oral Cavity in Baan Nong Bua Villagers, Suphanburi Province, Thailand	1	41
Analysis of the Composition of Amphetamine Tablets, Fiscal Years 2007-2013	3	519
Analysis on National Strategies for Prevention and Control of Antimicrobial Resistance: Learning from Other Countries' Experiences	4	549
Anti-bedsores Produced from Continuous Ambulatory Peritoneal Dialysis Fluid Bag	3	456
Applied Multiple Poisson Regression for Dental Epidemiology Research	6	1033
Association between Using Rapid Dengue Tests and Treatment Outcomes and Effectiveness of Dengue Control in the Villages	4	623
Association of Illness, Health Status, and Personal Characteristics with the Short-Term Episode of Severe Acute Exacerbations in Patients with Chronic Obstructive Pulmonary Disease: A 3-Month Prospective	6	981
Attitude and Readiness towards ASEAN Community of Nurses at the Medical Nursing Department in Siriraj Hospital, Bangkok, Thailand	3	487
B		
Banana Leaves with Coconut Oil to Reduce Sticking Problem from Bandaid in Wound Dressing	5	840
Breast Cancer Screening	4	545
Burden of Diseases: Disability Adjusted Life Year and Health Adjusted Life Expectancy in Thailand	2	342
C		
Casemix and Payment Method Development for Thai Traditional Medicine Inpatient Casemix	3	495
Comparison of Noise-Induced Hearing Loss between Stone Processing Workers and Hotel Workers	1	31
Comparison of Pain Relief from Intravenous Canulation with Normal, Cold Compression and EMLA methods	2	280
Comparison of Trans, Trans-Muconic Acid Level between Roadside Occupations and Office Group in Maptaphut Area, Rayong Province, Thailand	6	950
Cost-Outcome Analysis of Hypertension Treatment at The Out-Patient Department: a Comparison Across Public Health Insurance Schemes	2	284

D

Determining the Importance of the Difference (1)	5	781
Determining the Importance of the Difference (2)	6	937
Developing Potential for Acute Diarrhea Prevention through Community Participation: a Case Study of Khlongdan Sub-district, Ranod District, Songkhla Province	5	801
Development Administration of Public Health Database System in Phangnga Province	2	315
Development of a Clinical Nursing Practice Guideline for Pre-operation in Traumatic Brain Injury Patients	5	823
Development of a Convenient Nasogastric Drainage Bag, Si Sa Ket Hospital	3	464
Development of a Health Promotion Model to Prevent Diabetes Mellitus in Primary Care Units within District Health System (DHS), Mueang District, MahaSarakham Province	2	181
Development of Barcode System to Prevent Blood Component Mistake	5	888
Development of Clinical Guideline for Surgical Nursing Practice in Intensive Care Unit Based on FAST HUG Concept	1	116
Development of Computerized Program to Produce Certificate of Vaccination for Thai Pilgrimages during Hajj Season	2	262
Development of Core Competencies by the Participation of Supervisors	5	872
Development of Electronics Document Management Information System for Organization in Ministry of Public Health	2	306
Development of Neonatal Care with The Tongue-Tie at Somdejphrasangkharach 17th Hospital, Suphanburi Province, Thailand	2	239
Development of Pulmonary Rehabilitation Program in Patients with Chronic Obstructive Pulmonary Disease, Wapipathum Hospital	2	255
Development of Tuberculosis Key Messaging for Risk Communication in the High Risk MDR-TB Spot: a Case Study of Thai-Myanmar Border Provinces, Year 2015 Mahasarakham Province	4	583
Development of the System for Screening and Analysis of Prescriptions of Inpatients, Maharat Nakhon Ratchasima Hospital	3	434
Development of Village Health Promotion Capacity Using Food Safety Test Kits of the Department of Medical Sciences, 2011 - 2015	6	1056
Direct Costs of Parkinson's Disease at Suratthani Central Hospital: a Retrospective Study	1	69
Does Small P Value Make a Greater Difference between Groups?	4	547

E

Economic Evaluation and Budget Impact Analysis of Liver Transplantation among Thai Adults in Universal Health Insurance Coverage in Thailand	5	908
Effect of Nursing Empowerment Program on Adaptation in Breastfeeding for Mother with Preterm Infants	6	939
Effect of Propofol and Ketofol on Prevention of Sevoflurane Emergence Agitation in Children	1	128
Effect of Steady Walking Steps and Increasing Steps on Body Composition in Overweight Participants	5	831
Effectiveness of Alcohol Consumption Action in Communities by Health Teams	6	1003
Effectiveness of Behavior Modification Programme for Cigarette Smoker in Monks in Saraburi Province	2	269
Effectiveness of Combined Lumbar Plexus - Sciatic Nerve Block Compare with Spinal Block in Patients Undergoing Unilateral Knee Arthroplasty	4	704
Effectiveness of Medicinal Plant Crude Extracts on Growth Inhibition of <i>Aspergillus fumigatus</i>	6	1049

Effects of a Program on Correction and Persistence of Antiretroviral Treatment to Improve Adherence and Drug Safety in HIV/AIDS Patients at Uthumpornphisai Hospital, Sisaket Province, Thailand	4	696

Efforts and Development of Facilities for Testing and Research in the Area of Medical Sciences to be Compliant with OECD GLP	6	1064
Electronic Cigarette: a Youths' Health Threat	6	1075
Errors in Interpreting P Values	3	353
Evaluation of Thai Algorithm Usage for Adverse Drug Reaction Monitoring	4	673
Evidence and Challenges on the Occurrence of Non-Communicable Diseases vs. Salt and Sodium Consumption	5	779
Evolution of the Development of Sexually Transmitted Diseases Treatment Guidelines in Thailand	4	561
Expected and Actual Roles of Phichit Health Volunteers as Community Health Managers Assessed through Self- and Public Health Officials' Evaluations	1	22
External Fixation Device for Magnetic Resonance Imaging (MRI), Ramathibodi Hospital	5	878

F

Factors Associated with In-hospital Mortality in Patients with Intracerebral Hemorrhage at Ban-Mi Hospital, Lopburi Province, Thailand	6	1022
Factors Associated with Opisthorchiasis in Nong Pling Subdistrict, Mahasarakham province, Thailand	1	60
Factors Affecting Blood Sugar Changing among Diabetic Patients, Bangkeaw Hospital, Phatthalung Province	3	401
Factors Affecting Quality of Life of Persons Treated for Narcotic Drug Use in Primary Care Hospitals, Udon Thani Province	2	218
Factors Predicting Operation of Local Health Security Funds in Chachoengsao Province	1	76
Factors Related to Fatigue Level among Beauty Salon Workers in Khlong Nueng Sub-District, Khlong Luang District, Pathumthani Province	3	380
Family Participation in Supporting Drug Use for Thai Elderly with Chronic Diseases	2	192
Forecasting of Dengue Haemorrhagic Fever by Descriptive Statistics and Time-Series Analysis and Risk Assessment in Phetchabun Province, 2015	4	604
Freeze-Drying of Monovalent Rotavirus for Use as a National Vaccine Reference Standard	5	897

H

Health Products Vigilance in Thailand: Past, Present and Future	3	444
Human Research Subject Protection in Thailand: Issues of Applicable Laws and Regulations	3	355

I

Impact of Environmental Cadmium Contamination on the Residents in Mae Sot District, Tak Province	5	783
Improved Clinical Outcomes in Asthmatic and COPD Inhaler Users with Multimedia-Acquired Pharmacy Counseling	3	424
Improvement of the Efficiency of Reimbursement in the Drug Related Groups' System	5	865
Incidence and Associated Risk Factors of Nephrotoxicity Due to Tenofovir in HIV-Infected Patients	1	92
Incidence and Re-infection Rates of <i>Opisthorchis viverrini</i> in Upper Northeastern Communities of Thailand	3	370

Incidence of Rh-antigen and Phenotypes of the Khon Kaen Hospital Rh-negative Donors' Club	1	85
Installation of Private Medical Device in Government Facilities	3	534
L		
<i>Legionella</i> spp. Surveillance Network, North-eastern of Thailand	5	929
M		
Management Model for Health Volunteer Schools: the Case of Bansiyaksuanpa Village Health Volunteer School	3	469
Medication Reconciliation Process Development of the Outpatient Cases with Hypertension in Community Hospitals	4	683
Model Development for Safety Promotion on Road Traffic Injuries and Drowning by Community Participation, Khom-Kam Sub-district, Yang Chum Noi District, Srisaket Province	5	812
Model Development to Improve Accessibility of Diabetes and Hypertension Patients with Participation of Community Network, Maesakorn Health Promoting Hospital, Wiang Sa District, Nan Province	3	394
N		
Non-Specific Neck Pain: Guideline for Assessment, Diagnosis and Treatment in Primary Medical Care	4	760
Now Comes Another World TB Day, 24 March 2016	2	157
O		
Odds Ratio for a Continuous Factors	2	160
Opinions of Stakeholders about the Roles of Private Pharmacists in Sexually Transmitted Infections Management in Pattaya City, Banglamung District, Chonburi Province, Thailand	6	960
Outcomes of Teenage Pregnancy Delivered at Huaiyot Hospital, Trang Province, Thailand	1	14
Outcome of Service Development Programme on Within-28-Days Readmissions of Chronic Obstructive Pulmonary Diseases (COPD) Patients: a Case Study of Somdejphrajaotaksinmaharaj Hospital, Tak Province	2	246
P		
Patient Doses in Simple Radiographic Examinations in Trang, Phatthalung and Satun Provinces in the Transition from X-ray Film to Computed Radiography	4	632
Pay for Performance Program Development by Using Computer and Smart Phone	4	734
Pharmaceutical Preparedness for Public Health Emergency in Thailand: What Can Be Learned From Other Countries?	4	749
Pomegranate Juice Elevated International Normalized Ratio in a Patient on Warfarin: a Case Report	3	529
Prehospital Care by Telegraphic Medicine System for Advanced Emergency Medical Service at Maharat Nakhon Ratchasima Hospital	4	714
Preliminary Outcome of the Effect of Slow and Deep Breathing Exercise Program on Respiratory Muscle Strength in Healthy Participants Aged 18 – 25: a Randomized Control Trial	3	387
Premature Mortality	4	769
Prenatal Risk Assessment for Severe Thalassemia in Public Health Region 7, Thailand	2	211

Preparation of Royal Thai Air Force Hospitals towards the Generic Drug Pricing Policy for Civil Servant Medical Benefit Scheme	6	1040
Prevalence, Drug Related Problems and Outcomes of Polypharmacy Treatment among Patients: Literature Review	6	1084
Prevalence of Risk Factors, Complication of Diabetes Mellitus and Glycemic Control among Diabetic Patients in Phatthalung Province	5	791
Prevention and Control of Dengue Hemorrhagic Fever via Vector Control in and within 20 Meters Vicinity of Patient's House	4	615
Proficiency Testing for <i>Vibrio cholerae</i> , years 2011–2014	2	324

R

Recipients of Prince Mahidol Award 2015	1	10
Reduction of Drug Dispensing Time for Out-patients at Somdetphraphutthalertla Hospital	4	664
Regional Differences in Burden of Disease in Thailand, Year 2009	2	162
Relationships between Stress, Quality of Lives, Expenses and Grade Point Average of Optometric Students of Rangsit University	3	477
Relationship of Exercise Behavior and Health Status of Middle-Aged Women in the Community	6	972
Risk Assessment of Benzoic Acid and Sorbic Acid in Foods for Thais	1	49
Risk of Teenage Pregnancy and Birth Asphyxia in Bangkeaw District, Phatthalung Province	4	641
Risk Score for Predicting Microalbuminuria in Patients with Type 2 Diabetes	4	650

S

Screening Results of Children with Developmental Disorders, Loei Hospital, Thailand, 2013–2015	2	204
Sensitivity of Plain-film Radiography in the Diagnosis of Acute Maxillary Sinusitis	1	111
Situation of Addictive Substance Use Among Narcotics Drug Users in Health Service Region 3, 2009 – 2014	2	173
Situation of Breastfeeding among Mothers Receiving Services in Public Hospitals in Thailand	4	657
Social Determinants of Health and Health Promotion in Population	1	147
Survey of Hospital Pharmacist Activities in Thailand	4	723
Survival Rates of Cholangiocarcinoma and Factors Affecting after Surgical Treatment in Roi Et Hospital	1	137

T

Textbook of Chronic Noncommunicable Diseases: The Health Challenge of 21st Century	6	935
Thai Diagnosis Related Group in Future ASEAN	3	351
The Use of Glucose Challenge Test as a Diagnostic Test for Gestational Diabetes	4	742
Treatment of Tooth with Combined Endodontic–Periodontal Lesion: a Case Report	5	920
Treatment Outcomes of Children with Asthma in the Easy Asthma Clinic at Bangbo Hospital, Samut Prakan Province	5	846
Trend in Financing for Prevention and Control of Non-Communicable Diseases (NCDs) in Thailand, 2002–2012	4	571

U

Unit Cost in Phayao Provincial Health Office	2	296
Upper Gastrointestinal Hemorrhage Score, 2014	3	411
Utilization Management to Reduce Use of Laboratory Investigations in Warinchamrap Hospital, Ubonratchathani	2	332
Utilization of Participation Process to Prevent Health Impact from Pesticide Use in Shallot Farming, Chaijumphon Sub-district, Laplae District, Uttaradit Province	4	593

V

Verification of the Knowledge Gained from Monitoring and Evaluation Research on Model Development and Redefine Mechanisms for AIDS Prevention and Alleviation in Youth and Other Most at Risk Populations by Participatory Learning for Health Development	6	994
